BBA was founded in 2004 and accredited pursuant to the decision issued by the Committee for Accreditation and Examination of Quality of the Ministry of Education. BBA provides education so as to create qualified, well-educated experts capable of dealing with all types of modern banking, insurance and financial operations, with the respect of academic freedom, high standards and achievement of maximum value for total students efforts and workload. Pursuant to the decision issued by the Ministry of Science as of 27 February, 2008 the Faculty was accredited for scientific research and re-accredited in 2013.

Ural State University of Economics is the university which trains the economic elite of the Ural region and other regions of Russia and CIS countries. USUE is a basic, multi-disciplinary higher school, which trains more than 17,500 students and their number is constantly growing. The University has trained more than 70 000 professionals for different sectors of economy. The University ranks the first among Russian universities in the organization of research work of students.

The University Nice Sophia Antipolis, established in 1965, has developed a vivid cosmopolitan spirit. A prestigious training and research institution, a broad range of high-quality teaching programs and a privileged study environment has drawn an ever-growing number of scholars and professionals from around the world to the French Riviera.
